YEARLY CONTRACT FOR SUPPLY OF VEHICLE TYRES, BATTERY & LUBRICANTS

icddr,b is an international health research institute. Based in Dhaka, Bangladesh, we are committed to solving public health problems through innovative scientific research – including laboratory based, clinical, epidemiological, and health systems research. By developing, testing and assessing the implementation of interventions specifically designed for resource poor settings, we aim to improve the health and wellbeing of people living in the world's poorest nations.

For more than 60 years, we have been carrying out high-quality research and promoting the uptake of evidence-based interventions. Our initial focus was on diarrhoeal disease, but we now study multiple infectious diseases, other threats to public health, and methods of healthcare delivery. Our work has had a profound impact on health policy and practices both locally and globally.

3	Emergency response time	Within 48 hours	90%

19. Contract Period:

The contract will be for 03 (three) years from the date of awarding the contract. Price shall remain fixed during the contract period. However, Product price may change with 15 days' notice if globally the price is decreased/increased shall be adjusted with proper justification or supporting evidences at the sole discretion of icddr,b. The additional periods will be with the mutually agreed rates and terms & conditions.

20. Applicable Law :

The Contract shall be governed by and construed in accordance with the laws of the People's Republic of Bangladesh.

21. Termination of Contract Agreement:

Either party may terminate this agreement by giving 2 (two) Months prior notice in writing in the event that the other party defaults in the performance or observance of any terms or undertaking stipulated in this agreement. Supplies of inferior quality materials or extreme delay in supply within the scheduled period or approved extension time, will lead to write "letter of complaint". Repetitions of similar activities will cause issuance of warning letter which may lead to termination of the contract, if require. Termination of the Agreement shall be effected after settlement of all outstanding issues of both parties.

22. Dispute Settlement:

All Complaints, disputes and differences shall submit in writing by Supplier to Director, Supply Chain & Facilities Management and the matter will be resolved within 14 days of receiving the notification. If the supplier is not satisfied it may be referred to the Executive Director, icddr,b for resolution and his determination shall be final and binding.

23. The bidder shall indemnify the icddr,b against all actions, suits, claims and demands brought or made against it in respect of anything done or committed to be done by the bidder in execution of or in connection with the work of this contract and against any loss or damage to the icddr,b or its user in consequence to any action or suit being brought against the bidder for anything done or committed to be done in the execution of this contract.

24. Security and Safety Rules:

The Supplier shall maintain icddr,b Security and Safety Rules during implementation of the contract.

25. Environmental management:

This section specifies the requirements for environmental management of this contract.

Responsibility

The Contractor is responsible for ensuring that the provisions of this section and any other environmental protection provisions required by law, are complied with.
